Southshore Hills Landscape Committee

Established July, 2019

Committee Members:

- Cathy Crisman, Co-chair
- Eric Crisman, Co-chair

Vision Statement:

The Southshore Hills neighborhood should be a place that we are proud to call home, and as such, the landscaping of homes and common areas should be maintained in an aesthetically pleasing condition

Mission Statement:

The mission of the Committee is to monitor the condition of POA-maintained slopes, islands, and monument entrances, and to obtain bids for necessary and desired improvements, check landscape related billings, and interface with the landscape maintenance company.

The Committee shall report to the Board any issues, concerns, and recommendations as needed.
