Spring Cleaning Opportunity

Southshore Hills POA will have four (4) 40-yd dumpsters installed in areas throughout the property for a community-wide clean up. The dumpsters will be delivered on Friday May 5th and picked up on Monday May 8th. Locations of the dumpsters are indicated on the enclosed map.

This is a great time to declutter your closets and garages as well as dispose of unwanted furniture. We hope that all residents will take advantage of the opportunity. Owners leasing their homes should notify their tenants to participate in this clean up as well.

NOTE: Residents are **NOT** allowed to place any type of hazardous materials in the dumpsters, including wet paint, oil (or other liquids), asbestos, sealed tanks/drums, electronics (e-waste) and/or tires.

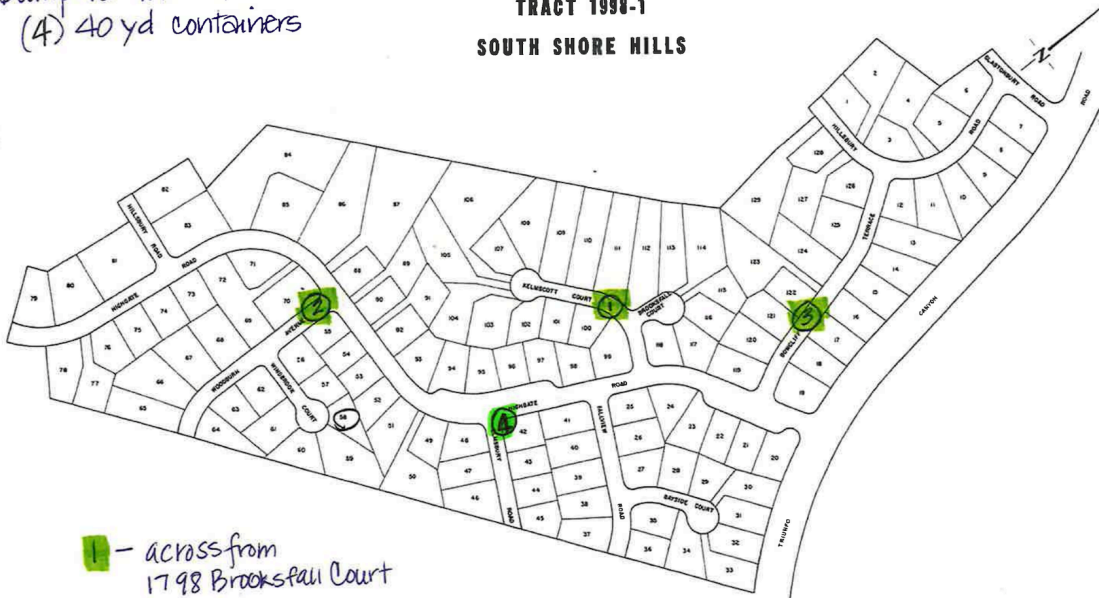

If you have any questions or concerns regarding this matter, please do not hesitate to contact PMP Management at (805) 642-2400, or e-mail care@PMPmanage.com and a PMP Customer Care Representative will be happy to assist you.

Thank you,
Southshore Hills POA
