Southshore Hills Technology and Communications Committee

2019-2020

Committee Members:

- John Soukup, Co-chair
- Shelley Gaskin, Co-chair

Vision Statement:

The Southshore Hills POA members have the right to expect accurate and timely information provided to them by the POA Board using contemporary technology and professional communication standards.

Mission Statement:

The mission of the Technology and Communications Committee of the Southshore Hills Property Owners Association Board of Directors is to advise the Board regarding contemporary methods of communicating with members, to maintain an informative and easy-to-navigate website, and to assist in the development and distribution of documentation that is clearly written in a professional manner.

Process for Conducting Committee Assignments:
